Graduating seniors will be extended a grace period and allowed to compete in the summer months once their senior year has been completed. They will not be allowed to fish in any events that are qualifying for the next calendar school year. This is a team format, but an angler may fish solo if they choose to do so.. You must have a partner from the same official school or community club and a coach to compete. If extenuating circumstances exist that prohibit you from having a partner in the tournament, then a request must be submitted to Illinois Bass Nation in writing for approval. Illinois Bass Nation reserves the right to accept or deny such requests.

#### **7. Permitted Fishing Locations:**

Tournament waters shall be established by the Tournament Director. Each competitor must obtain this information from the Illinois B.A.S.S. Nation Tournament Director. Fishing is permitted anywhere on tournament waters except within 50 yards of another competitor's boat which was first anchored or secured in a fixed position with the trolling motor out of the water. Power poles are considered to be a fixed position device. All such boats are required to advise any other competitor when such a boat believes that the competitor's boat is close to being in this 50-yard radius. A competitor has the right to navigate through this 50-yard radius to get to fishable waters. No such boat shall permit selected competitors to fish within this 50-yard circle claimed by him/her to the exclusion of any other competitor. Any water within boundaries posted off limits or NO Fishing by State or Federal agencies will be OFF-LIMITS. All angling must be done

from a boat. Competitors wishing to change fish habitat by placing an object in tournament waters may do so if such action does not violate state or federal regulations.

## **8. Contestants Must Remain In Boat:**

Contestants must not depart the boat to land fish or to make the boat more accessible to fishing waters. Boats must remain in tournament waters during tournament days. Contestants must leave and return to official check-in by boat. In such an emergency, competitors may be removed from their boat to: A BOAT OPERATED BY OTHER COMPETITORS OR A RESCUE BOAT. If a competitor must violate any of the above conditions (to contact a tournament official by phone or other means or to report an emergency breakdown), both competitors must cease fishing at this point and their catch must be verified by a tournament official in order to be counted in the tournament. If after the emergency situation is resolved by the tournament officials and enough time is left for the competitors to resume fishing a RESTART will be allowed and the competitors will continue and their catch will be counted. This applies only to dire emergency situations. The trailering of boats during the tournament hours is prohibited except by the direction of the Tournament Director.

At no time shall a competitor have reduced to possession more than the tournament limit. Tournament officials will conduct checks for violation of the provision, and in the event a competitor has reduced more than the above-described limits to possession, shall cull down to the limit described, beginning with largest bass first.
